Wright-Patt Clubs remind members of the Blue Star Program

The First USA Bank's "Blue Star" Military benefit program provides First USA Military Cardmembers a rebate of finance charges when they serve in a military campaign. The Blue Star Program went into effect March 1, 1999. Any Military campaigns before the effective date (such as Desert Storm) are not eligible.

Eligible Cardmembers include First USA Military Cardmembers (primary, joint, and authorized users) serving on active duty in a military campaign and designated to receive a campaign ribbon or medal authorized by the US Government. (In other words, this means that the U.S. Government recognizes the Cardmember as having officially served in the military campaign.)

To prove eligibility, the Cardmember must provide the following documentation:

A letter requesting a rebate of the interest payment (form is available by calling 1-877-ARMED FORCES).

Official military document indicating service member is entitled to receive a campaign ribbon or medal authorized by the U.S. Government.

Official military document indicating period of active duty service in the military campaign.

Power of Attorney if the person requesting waiver of interest payment is not the active duty service person.

Documentation should be sent to:

First USA Bank
P.O. Box 8650
Wilmington, DE 19899-8650

The Cardmember must meet the following criteria to be eligible for a rebate:

Account is in good standing at the commencement of the military campaign and remains in good standing throughout the campaign.

The account must remain open after the campaign and be open at the time the rebate is requested and received.

Cardmember must be entitled to a campaign ribbon or medal authorized by the U.S. Government.

Claim is submitted within one year of Cardmember's military campaign termination date.

Waiver of finance charges goes into effect when the date the Cardmember is deployed in a military campaign, or for the period of one year, whichever is shorter.

Cardmember will receive a refund of all interest charges accrued during his/her deployment in an official U.S. military campaign. Credit is applied retroactively to the Cardmember's account. The refund only applies for the duration of the Cardmember's service in a military campaign, up to a maximum of 12 months. The interest rebate is limited to interest that accrues on purchases and fees during the military campaign. Interest on the following is excluded:

Balance transfers made during the Cardmember's participation in the military campaign.

Cash advances.

For more information on the Blue Star Program, contact the club at 257-9762.

Animal Visitation by
Appointment

It's that time of year again, the season for giving. A lot of families like to give their loved ones those cute little furry gifts of joy that will give them a life-

time of memories - puppies and kittens. The Veterinary staff would like to stress to our military families that "pets are for life" - not just for the holidays. If you're thinking of getting your loved one a new family member this year, please treat it as a family member. Ensure that it receives the proper health care, so that it can ensure you a lifetime of happy memories. Have it treated for heartworms, ticks and fleas monthly; vaccinated annually; and registered on base (this is a requirement for all military members living in military housing).

We would also like to take the time to give everyone some information about cold weather concerns for your pets. Just as the heat can cause your animals harm, so can the snow. Please do not leave your animals outside in the cold for long periods of time, and it is a safety hazard to leave them in a running car to keep them warm. Just like us, they can become sick from inhaling exhaust fumes. Also, letting your animals play in the snow is not a good idea. The snow has harmful chemicals in it, especially on sidewalks where salt has been laid to melt the ice. The salt on sidewalks can also dry out the pads of your animals feet with too much exposure.
